

ANDRZEJ FIREK

San Francisco, CA · (628) 468-2014 · andrzej.firek@uni.minerva.edu · [Personal Website](#) · [LinkedIn](#) · [Github](#)

EDUCATION

Minerva University

San Francisco, CA

B.S. Computational Sciences (Data Science) & Natural Sciences (Matter and Energy)

Expected May 2029

- Built projects in 10+ hackathons in the Bay Area hosted by Google DeepMind, Vercel, and Y Combinator; focused on AI agents, memory systems, and MCP applications

Eastern Mediterranean International School

Ramat Hasharon, Israel

IB Diploma Programme, GPA: 4.0 | Honor Roll

Aug 2023 – May 2025

EXPERIENCE

Google Developer Groups

San Francisco, CA

Technical Project Manager

Sep 2025 – Present

- Lead a team of three to design and run technology-focused events with 100+ attendees
- Coordinate with GDG chapters across multiple countries to improve workshops, resulting in expanded audience reach, and better event consistency

FIRST Robotics FTC

Ramat Hasharon, Israel

Mechanical Designer

Aug 2024 – May 2025

- Directed the robot's mechanical design, optimizing the placement of dead wheels, control hub, and extension hub, and developing the specimen handling strategy
- Engineered the arm rotation mechanism and gripper intake using CAD and prototyped it with teammates

Project Oasis (Zayed Sustainability Prize Winner)

Ramat Hasharon, Israel

Digital Media Lead

Nov 2023 – May 2025

- Led a 4-person media team that designed the project's website and coordinated the creation of the branding and content creation strategy on Instagram

PROJECTS

Ghost PM Autonomous AI Project Manager

- Built and deployed Ghost PM, an OpenClaw-based autonomous PM agent that detects actionable items across messaging platforms and logs them to Notion 24/7
- Self-hosted on a VPS with a message-to-task pipeline, eliminating manual admin overhead for remote teams

MULM Workflow Optimization Chrome Extension

- Developed and shipped a Chrome Extension using React 19, TypeScript, and Manifest V3, that streamlines course content retrieval, currently utilized by 50+ users, capturing half of my cohort

ACCOMPLISHMENTS

- Represented Project Oasis at a sustainability conference in Monaco consisting of 23 schools across Europe
- Earned the RTX Innovation Award for an innovative specimen underhooking mechanism among 73 teams
- Selected among top 25 youth leaders in Poland for a national mentorship program; embarked on a week-long cruise with executives from Deloitte and Linde to explore global leadership pathways
- Led panels with ambassadors of Kazakhstan (Daulet Yemberdiyev) and Denmark (Thomas Winkler)

SKILLS

- Technical Skills:** HTML, CSS, JavaScript, TypeScript, React, Python, C++, SQL, Command Line, Ubuntu, Autodesk AutoCAD, OpenClaw, VPS, SSH, Linux, Agent Design
- Languages:** Polish and English (native), Chinese and Spanish (conversational), German (elementary)
